Activity Report AY 2019-20

- Department :- Electronics & Tele Communication Engineering
- Activity Title :- Re-installation
- Activity conducted date and time :- 31st August 2019 (11 am to 1:30pm)
- Resource person for Activity :- Mr. Mahesh Date.
- Class :- SY, TY and BE
- Summary :-

It was a month event which was galvanized and exhilarated by the huge participation of 50 students from SITCOE, Yadrav.

This Reinstallation gives platform for students to express themselves, explore their ideas and make the best participation. Compete with the sharpest minds in the engineering circuit.

Activity Report AY 2019-20

- Department :- Electronics & Tele Communication Engineering
- Activity Title :- Guru-Pournima
- Activity conducted date and time :- 16th JULY 2019 (2:10 pm to 4:10 pm)
- Resource person for Activity :- Department Faculty (E & TC)
- Class :- SY, TY and BE
- Summary :-

Traditionally the full moon day which in Hinduism is known as Pournima in the month of Ashadha is celebrated by the Hindu's as Guru Pournima. This is a big festival of the Hindu's and it is also known to many as Vyas Pournima. This day is generally celebrated in the veneration remembrance of the late Sage Vyas. He is regarded as the main Guru in the Hindu Dharma because he was the one who wrote the 4 vedas. Apart from that he also wrote the Mahabharata and 18 Puranas. On this auspicious day of Guru Pournima the disciples offer Pujan to their Guru or teacher to show the love and respect they have for him. They prepare special Guru Pournima speech for this day and the celebrations are also very nice. Many people prepare poems and many prepare special classical songs to dedicate them to their Guru.

In the modern times we see Guru in the form of a teacher who shares knowledge in the form of education to their students. Whatever be it he serves the role of a guide who takes their disciples to the path of righteousness and makes them good people to live in the society.

Activity Report
AY 2019-20

- Department :- Electronics & Tele Communication Engineering
- Activity Title :- Teachers Day
- Activity conducted date and time :- 06th Sept 2019 (10am to 1pm)
- Resource person for Activity :- Mrs. S. P. Kurlekar
- Class :- SY, TY and BE
- Summary :-

Activity was conducted like Guest Lecture on “Environmental Sustainability” .

Teacher's Day is a very special occasion for everyone especially for the teachers and students. It is celebrated by the students every year on 5th of September to honour their teachers. 5th of September has been declared as the Teachers day in India. Our earlier President, Dr. Sarvapalli Radhakrishnan was born on 05th of September so Teacher's Day in India is being celebrated on his birthday because of his love and affection towards teaching profession. He was a great believer of education and highly famous as the scholar, diplomat, teacher and President of India. Teacher's day is a great occasion for celebrating and enjoying the relationship between teachers and students. Now a day, it is celebrated with the big enthusiasm and joy in the schools, colleges, universities and other educational institutions by both students and teachers.

AY 2019-20**

- Department :- Electronics & Tele Communication Engineering
- Activity Title :- Master Presenter 2k19
- Activity conducted date and time :- 30th Sept 2019
- Resource person for Activity :- Mr. Mallikarjun Sarsamba and mr.Raviraj Chougala
- Class :- FY,SY,TY and BE
- Purpose :- National Level Technical Event
- Summary :-

Different activities were conducted like Paper Presentation, Poster Presentation, Stuff Adz, Rann-Neeti, Codex on 30th Sept 2019 .

It was a mammoth event which was galvanized and exhilarated by the huge participation of 400 students from all over India.

This competition gives platform for students to express them self, explore their ideas and make the best participation. Compete with the sharpest minds in the engineering circuit.

**Activity Report
AY 2019-20**

- Department :- Electronics & Tele Communication Engineering
- Activity Title :- Engineers Day
- Activity conducted date and time :- 15th Sept 2019 (9.30am to 10.00am)
- Resource person for Activity :- Mrs. S. P. Kurlekar
- Class :- SY, TY and BE
- Summary :-

Year 2019 will mark the 50th anniversary of the Engineers Day in India and 157th birth anniversary of Sir Mokshagundam Visvesvarayya. It will be celebrated on 15 September, Saturday.

Sir MV was internationally popular for his brilliance and his great achievement in harnessing water resources in India. This is also important to know that all over the world engineers' day is celebrated on different dates. Engineers are the professionals who design, build and test the construction, raw materials and process of the project; they also consider the restrictions imposed by the regulation, feasibility, safety and cost of the project. Engineers play a very significant role in every walk of our lives. They convert the theoretical knowledge of basic sciences into actual products and thus make our lives easy. Engineers possess versatile minds and help in filling the gap between science, technology and the community. Engineers in India contribute greatly to the nation's technological and industrial growth.
